**OREGON STATE SENATE
900 COURT ST NE S-411
SALEM, OR 97301**

Chair Greenlick and Members of the Committee,

I am unable to attend the hearing today in person but would like to express my strong support for House Bill 4005. The most common concern I hear from my constituents is the high cost of prescription drugs. Many Oregonians face significant financial burdens due to the high price of the medications they need. I believe that this bill is a first step to address prescription drug affordability. If we are unable to take action at this time to reduce prices, we should at the very least act to provide transparency so that we can better understand the factors that contribute to dramatic cost increases.

Sincerely,

A handwritten signature in blue ink that reads "Lee Beyer". The signature is fluid and cursive, with the first name "Lee" and last name "Beyer" clearly distinguishable.
