

I absolutely support National Popular Vote. I do not support SB 1512 which refers this issue to the voters.

Legislators already have the mandate from Oregonians to pass this bill and a majority of legislators in both houses support the version of the bill that has already been passed 4 times.

Senators have been denied the right to vote on this bill since 2009 and it is past time a clean bill got a vote by this body.

Thank you.
