RE: HB 4034 – technical fix to SB 1051 (2017)

Chair Clem and members of the Committee:

Friends of Yamhill County works to protect natural resources through the implementation of land use planning goals, policies, and laws that maintain and improve the present and future quality of life in Yamhill County for both urban and rural residents. We support HB 4034. This bill, as introduced, is consistent with voter expectations of matters that should be dealt with in short sessions.

HB 4034 is the appropriate technical fix for a transcription error made in SB 1051 late in the 2017 session. To not pass it, or burden the bill with further issues, contravenes the good work and collaboration around housing needs done in the 2017 Legislative session.

Please move HB 4034 forward as introduced.

Sincerely,

Kathryn Jernstedt
