**Oregon Progressive Party
Position on Bill at 2018
Session of Oregon Legislature:**

**SB 1527: Support, with-1 Amendment but not -2
Amendment**

Dear Committee:

The Oregon Progressive Party (OPP) supports the part of this bill that limits the amount of income that a business owner can "pass through" to the personal income tax rates. The bill places the limit at \$250,000. We would prefer a limit of zero, since 99% of the tax savings is realized by persons with incomes exceeding \$100,000 per year.

We oppose the -2 amendment, which would eliminate the \$250,000 limit and thus continue the unfair reduced tax rates on pass through income on all income levels.
