

Please SUPPORT HB 4092

Dear Chair McLain and members of the House Transportation Policy Committee,

My name is Gena Wendland with Aurora Aviation, Inc. I'm writing to ask for your support of HB 4092. I think it is important for our business and our community.

1. A 6,000' runway has been in the KUAO master plan since 1976 and reaffirmed again in 2013 master plan – years of public process go into master plan.
2. HB 4092 will not take farm land out of production.
3. Safety benefits of runway extension – short runway not optimal for safety.
4. Emergency preparedness benefits of KUAO – need a fully functional airport in event of emergency.

Sincerely,

Gena Wendland
