**Subject:** HB 4029

Dear staff,

We **strongly oppose HB4029**. Residents of RiverRim development since 2002, we are very concerned that HB 4029 only benefits a few local residents as opposed to the community at large. In addition, the bill excludes local input - namely City of Bend and Deschutes County. The footbridge proposed by Bend Parks and Recreation would serve the community well.

Sincerely,

Randy and Lindy Jacobs
