

To whom it may concern, I wish to submit testimony to the Senate Rules Committee:

I am strongly in favor of Oregon signing on to the National Popular Vote Compact through legislative leadership and action. I do support the bill that has already passed the Oregon House four times.

I do not support SB 1512 which refers this issue to the voters. Senators have been denied the right to vote on this bill since 2009 and it is past time a clean bill got a vote by the Oregon Senate.

Thank you,
