

To Whom it May Concern,

My name is Molly Beard and I live in Portland, Oregon.

I am writing today to urge you to support the National Popular Vote HB 2927 and NOT the referendum SB 1512.

The referendum is problematic and disturbing on many levels: outside money that would likely sink this measure, and the fact that it is already the clear responsibility of our state legislature to enact these electoral college changes (Constitution Article II, Section I).

Please do your jobs well, not rushed, please respect the desire of the people to have one person one vote.

Thank you for your time,  
Molly Beard
