

Please protect dementia & Alzheimer's patients. Don't rush the process of updating advance directives without ensuring legal protections for these vulnerable people are kept in place. Please vote no on HB 4135.

Right now, Oregon's advance directive allows me choices as far as what kind of care I want at the end of life. HB 4135 endangers my choices by removing the advance directive from statute. Please protect my healthcare choices by voting no on HB 4135.

Please vote no on HB 4135. The bill is not written carefully enough to protect Oregonians' rights to basic food and water. Don't create more problems for end of life care, Please vote no on HB 4135.

Sincerely,
