Subject: Testimony in opposition to HB 4135

Note: Please use discretion with your personal information in written testimony (i.e., do not add personal information you do not want the public to see). All meeting materials, including your name and any personal information contained in the submitted documents, are posted to the Oregon Legislative Information System (OLIS) and are accessible to all major search engines, including Google, Bing, and Yahoo.

Please vote not on HB 4135 because of the dangers of abuse and torture to healthcare patients.
