

Currently, Oregon's advance directive allows me choices as far as what kind of care I want at the end of life. HB 4135 endangers my choices by removing the advance directive from statute. The bill is *NOT* written carefully enough to protect Oregonians' rights to basic food and water. Don't create more problems for end of life care. Protect my healthcare choices, and the healthcare choices of all Oregonians, by voting **NO** on HB 4135.

Prayer makes your heart bigger, until it is capable of containing the Gift of God Himself.
