

Right now, Oregon's advance directive allows me choices as far as what kind of care I want at the end of life. HB 4135 endangers my choices by removing the advance directive from statute. Please protect my healthcare choices by voting no on HB 4135.

This bill is also not written carefully enough to protect Oregonians' rights to basic food and water. This will create more problems for end of life care as well as leaving dementia and Alzheimers patients vulnerable.

Do not Rush the process of updating advanced directives without ensuring that protections for vulnerable people are kept in place.

Sincerely,
A Concerned Oregonian
