Subject: Please support HV 4029 and protect the Deschutes River

Follow Up Flag: Follow up
Flag Status: Flagged

Dear House Agriculture and Resource committee:

Please support HB 4029, so that we can better protect the Deschutes River in Central Oregon. This river provides habitat for spotted frogs, bald eagles, golden eagles, elk, cougar, mule deer, owls, beaver, otters and more. Building a bridge over the river would seriously compromise this habitat.

Thanks, Rynda
