

Note: Please use discretion with your personal information in written testimony (i.e., do not add personal information you do not want the public to see). All meeting materials, including your name and any personal information contained in the submitted documents, are posted to the Oregon Legislative Information System (OLIS) and are accessible to all major search engines, including Google, Bing, and Yahoo.

Please vote no on HB 4135. The bill is not written carefully enough to protect Oregonians' rights to basic food and water.

Don't create more problems for end of life care. Don't make Oregon a dangerous place to live if you have dementia. We all deserve compassion and basic care. People should always be offered food and water.

Please vote NO on HB 4135.
