

Note: Please use discretion with your personal information in written testimony (i.e., do not add personal information you do not want the public to see). All meeting materials, including your name and any personal information contained in the submitted documents, are posted to the Oregon Legislative Information System (OLIS) and are accessible to all major search engines, including Google, Bing, and Yahoo.

Please vote NO on HB 4135 to protect the choice of individuals and their families in end-of-life issues. Having the government make these choices for individuals is lowering our wonderful country to the level of Hitler in putting thousands to death. Each individual and those who love them should be the ones making life decisions. Thank you. Teryl Putnam, Tillamook, OR
