

Please vote no on HB 4135. The bill is not written carefully enough to protect Oregonians' rights to basic food and water. Right now, Oregon's advance directive allows me choices as far as what kind of care I want at the end of life. HB 4135 endangers my choices by removing the advance directive from statute. Protect dementia & Alzheimer's patients. Don't rush the process of updating advance directives without ensuring legal protections for these vulnerable people are kept in place.
