Subject: No on SB 1563

With all due respect, please vote no.

When I filled out my application for citizenship and waited patiently for two years to take the oath of citizenship, I never imagined that those who didn't follow the law would be given preferential treatment.

That is not unkind, it is a reality. Millions of us came here and followed every requirement. Perhaps you could consider how many naturalized citizens are being designated as chumps.

My disappointment is profound. This is not progress, it is bait for more illegal immigration.

Vote No on SB1563
