

This bill is outrageous. brown is an idiot and an obamaian/clintonian follower as well as a liberal "switch hitter" obstructing democract. brown does not want guns in Oregonians hands period, but brown has armed security protection at her disposal. This bill needs to be voted down. It is communistic and has a banana republic smell to it. brown, wyden, defazio, mccaferty and the rest of the democrats and liberals in Oregon are ruining the state. I have never seen such a group of idiots in my life to govern our state of Oregon.
