Chair Lively and members of the Early Childhood and Family Supports Committee,

As the representatives of Licensed Family Child Care (registered and certified in-home care) Oregon AFSCME Council 75 supports HB 4065. We appreciate being included in the workgroup and having the opportunity to weigh-in on how we construct our statutes on child care to ensure that they are clear and provide for the highest level of safety for our children.

We urge you to vote yes and look forward to our continued work with the legislature and the Early Learning Division on our work to improve the safety, affordability, and quality of our child care and early learning system in Oregon.

Sincerely,

Eva RippetEAU  
Political Coordinator
