Flag Status: Flagged

Hello,

- I support HB 4029 and protections for the Deschutes River and other state scenic waterways.
- Please balance sustainable recreation and wildlife protection on the Deschutes River by finding an alternative route to connect trails that doesn't require weakening river protections.
- In a time when our public lands are under attack from extractive industries and the Trump administration, Oregon should stand firm in protecting our rivers and public lands.

Thanks,

Alan
