

" Family or household members " is by far too broad !

I strongly oppose this House Bill 4145 as it is written in its present state. I believe it to be wise to consider this bill will apply to you as well. I personally would review these past few months of accusations regarding sexual misconduct regarding individuals of all walks of our nation. Just remember that you could be the next target to be falsely accused of such behavior. Have you heard of anyone's name being cleared ? Not I.

Thank you,
