

Obviously those of you who are for and voting for this bill REALLY DO NOT believe in the constitution of our great country. You people have made it so disgustingly obvious that your goal is to take away every legal constitutional right that you can. Not just the our second amendment. I dare say those of you representing this bill have no clue what the majority of Oregonians want. Only what you and your in power cronies want. Bills that change or completely obliterate any of our constitutional rights should have the passing vote of we the people. Not the few who have taken it upon themselves to become God and think that you know better than us peons. Well who in the Sam hill pays your wages. Who do you REALLY REPRESENT?

Please, for our great state of Oregon, reconsider and vote no on the extreme UNCONSTITUTIONAL BILL.
