Date: Sunday, February 4, 2018 9:01:56 AM

Dear Senate Revenue Committee:

I believe that the tax system should be fair- we should each pay our fair share.

I previously owned and managed a small business for 7 years with a business partner. Small business owners need to pay their share, too. They should pay at the rate as their employees.

I support eliminating the tax break as written in SB 1527.

Sincerely,

Charlotte Maloney
