Chair Hass and members of the Senate Finance and Revenue Committee,

In reference to Section 11 of SB 1527, this committee should repeal the Oregon personal tax break on the income of business owners. This legislation, passed in a special session in 2013, primarily benefits the high earning businesses. We should be retaining all \$200 million per biennium to aid the 99% of the Oregon population that doesn't receive any benefit from this costly giveaway. Our school's are running on shorter days per year & with crowded classrooms, our infrastructure needs repairs, and there isn't enough affordable housing. The wealthy don't need subsidizing, Oregonians do.

Respectfully,
