

To whom it may concern,

I am opposed to HB 4145 also known as the "boyfriend loophole". I am in favor of keeping firearms out of the hands of dangerous criminals that have ALREADY been deemed such in a court of law but I am OPPOSED to the ridiculous way this bill is written in that "basically anyone" qualifies to be a "victim" under this current bill before the Oregon legislature. As a tax paying citizen to the State of Oregon, I ask that my request of this bill be considered and that the bill HB 4145 be null and void.

Thank you for your time in this matter.

Sincerely,
Kevin Shannon
