---

get rid of the oregon personal tax break on the income of business owners in SB 1527. this is in addition to the trump tax break already due to happen. it will save \$200 million a biennium. don't allow SB 1529 to take effect. this will save another \$400 million a biennium. i don't see how these 2 tax breaks for business owners, wealthy and otherwise, benefits EVERYONE.
