Chair Hass and members of the Senate Finance and Revenue Committee,

In reference to Section 11 of SB 1527, this committee should repeal the Oregon personal tax break on the income of business owners. This legislation, passed in a special session in 2013, primarily benefits the high earning businesses. We should be retaining all \$200 million per biennium to fund teachers, decrease class sizes, help with our decrepit foster care(DHS) system, etc. what could be do with \$200 million?! a lot. sincerely,

Judith Lienhard, Portland, Oregon
