

SUBJECT: HB 4075

Dear Senators and Representatives,

I am in support of HB4075.

- 1. The 1700 acres in question is in an area with high traffic. 12,000 vehicles a day drive on Jackson School Road. This makes for moving farm equipment very hazardous.**
- 2. For the past 20 plus years cover crops and grass seed has been planted on the farm land. Very little of this acreage has been used for produce to feed people.**
- 3. This area would be good for schools, housing and parks.**

Vote Yes on HB 4075

Sincerely,

**David Wren
