To whom it may concern,

I support HB 4029 and protections for the Deschutes River and other state scenic waterways.

Please balance sustainable recreation and wildlife protection on the Deschutes River by finding an alternative route to connect trails that doesn't require weakening river protections.

In a time when our public lands are under attack from extractive industries and the Trump administration, Oregon should stand firm in protecting our rivers and public lands.

I have much enjoyed the undeveloped & unbridled beauty & serenity of Central Oregon & of course the scenic Deschutes River & Little Deschutes. We can provide modern conveniences & better outdoor access without putting a bridge in the most incorrect spot.

Sincerely,

Thomas J Keys
