

Representatives,

Please do not allow HB 4145 as written out of committee.

This bill is defines such a broad range of persons to be included in the concept of "family" as to make it both ridiculous and intentionally a workaround of the concept of due process.

The mouse trap of losing an un-convicted individual's firearms rights without a trial by jury in the case of the findings of a judge is also a blatant attempt at taking away due process.

Justice is not served by this bill.

Please see this bill for what it is. It is a end-around for taking away an individual's Federal 2nd Amendment rights without due process.
