

Well here they go again forgetting the oath that all of you swore to when you took office to defend, protect, and support the constitution of the United States and the state of Oregon. Same old ploy to remove our gun rights by using a broad definition of who a family member. Do you really believe that just because you had sex with someone that they are now a family member. Any attempt to restrict our gun rights is a violation of the oath you swore to and a promise that you made to the people of Oregon, and I strongly urge you to defeat this bill.

Thank you for your time.,
