

This bill is ridiculous as well as against all Americans rights to bear arms! Our Constitution and Our 2nd Amendment spells out Our rights and just because a few of you just don't like guns, you feel like should not allow anyone to have a firearm. I wore a Deputy Sheriff badge for part of my career and used that Badge and the oath I took with it to protect YOU and others with a firearm. I have been shot at and also used a firearm to defend you! Get real people! We the People will defend you and Our Honor and Our Land with firearms till this country breathes its last breath! It was formed with the use of flintlocks and will grow with the use of bolt actions, lever actions, pump actions and semi automatics! Firearms pump billions of dollars in to our economy every year. We target shoot, hunt and compete in sports like football, baseball and basketball and look what football did to our country this year! One man with a gun in the right place at the right time could have stopped the Vegas shooting with one well placed shot and it may not have even been a law enforcement officer but just a good American with values!!!! Knock your stupidity and leave Americans alone! If you want to do some good, write a bill to put more cops on the streets and build more prisons and jails and then you would be loved instead of hated! God Bless and Protect you all because Americans and Oregonians without firearms can't protect you at all! Sleep well tonight because your neighbor may stop some criminal from robbing, raping or killing you. Have a nice day!us 🇺🇸 us 🇺🇸 us 🇺🇸 us 🇺🇸 us 🇺🇸 us 🇺🇸 us 🇺🇸 us 🇺🇸 us 🇺🇸 us 🇺🇸 us 🇺🇸
