

I am writing today to say I stand firmly against HB4145! As a Veteran of over twenty years in the Navy (retired), City Councilor (retired), Budget Committee Member (retired), VFW District 4 Past Commander, VFW Past Commander Lee Ray Post #2928, Acting Quartermaster VFW Lee Ray Post #2928, President of North Bend Prospectors, Inc., Hunter, Fisherman, Outdoors man, Born and Raised in Oregon.

This HB4145 is In-American and needs to be stopped now and forever! Feel Good Politics isn't good and will never work!
