Subject: House Bill 4013

Hello,

I am against this bill. I would rather have 'designees' serve as non-voting members than only the deputy secretary of state or treasurer.

As a parent of three children, I'd rather have the option to have the best qualified person who has the interest of my kids in mind versus a person who may not be qualified and who may or may not have our children in mind.

Thank you,

Darin Dougherty
