House Committee on Agriculture and National Resources
Rep Brian Clem, Chair
900 Court ST, NE
Salem, Or 97301

Chair Clem, Vice-Chairs McLain and Sprenger and members of the Committee:

I am a supporter of a bridge over the Deschutes River to enhance the trail system in Bend, Oregon. The connectivity and alternative transportation options are enhanced by this feature. HB 4029 is in conflict with long time plans and most of the studies that have been done in Bend. I am very much in support of allowing a bridge if environmental concerns can be addressed.

Thank You
