BACKGROUND:

The City of Portland does not permit unsanctioned camping within city limits (City Code 14A.50.020 and 14A.50.050). Under the code, campers are notified at least 24 hours in advance that an unlawful camping site is to be cleared, though it typically takes between 24 and 72 hours before cleanup occurs. The cleanup process is designed to restore the land in question to public use, and can include picking up and disposing of debris, garbage, waste and biohazards.
