Dear House Members:

Please vote to support House Bill 4045 cut puppy-mills off from access to consumers through pet stores. Puppy mills are horrifically cruel animal abusers whose dogs often live in filthy, neglectful, abusive, terribly confined environments, without access to even the most basic care or kindness. Please help us to end this cruel travesty that makes unknowing consumers complicit in abuse that they would never knowingly support.

Thank you,

Adrienne Youmans
