SB1508 to fund DEQ and you oppose to SB1541 which strips DEQ of authority and the CAO rules of important health based standards.

Senators,

I live in NE Portland and am extremely concerned about the air quality readings that show high levels of air pollution. I urge you to support SB1508 to fund the DEQ program for cleaner air standards and to oppose SB1541 which works against our health and safety. I do not like my grandchildren being raised in air that nearly matches that of Los Angeles. Please act for better air quality. Thank you, Jennifer Vaught , 3905 NE 40th Ave. , Portland, OR 97212
