Please vote for H.B. 4045 to protect animals and consumers, and cut off the puppy mill-pet store pipeline. There is no reason for our great state to provide a marketplace for those who shamelessly exploit helpless companion animals for personal profit.

Please vote for HB4045 to protect animals and consumers, and cut off the puppy mill to pet store pipeline. Millions of dogs are euthanized annually and adopting rescue dogs should be the replacement for puppy mill puppy stores. Please and thank you for your time, concerned Oregonian

Puppy mills are inhumane and have no place in a civilized society. Beautiful dogs live out their lives in cages, without any love or kindness, and forced to continuously breed until their bodies are aged or broken.

Please vote for H.B. 4045 to protect animals and consumers, and cut off the puppy mill-pet store pipeline.

As an Oregon voter, I urge you to please vote for H.B. 4045 to protect animals and consumers, and cut off the puppy mill-pet store pipeline. This is an important bill that would ensure cruel puppy mills would no longer profit from selling their puppies in Oregon pet stores.

Thank you!

Hello,

Please vote for H.B. 4045 to protect animals and consumers, and cut off the puppy mill-pet store pipeline. I have worked for a non-profit animal rescue for several years, and most of the animals are originally from breeders who sell them. All our foster homes are full and over-full. We don't have enough resources to take them all in and they just keep coming. It has to be stopped now. Please.

Thank you,

To whom it may concern,

I am urging you to please vote for H.B. 4045 to protect animals and consumers, and cut off the puppy mill-pet store pipeline. Puppy mills are a horrible industry that add to the huge problem of pet overpopulation. A problem, that causes subsequent euthanasia, that takes away valuable financial resources from other city/county/state necessities.
