Analysis:

HB 4129 with the -3 amendment renames the Nursing Home Administrator Board under the Health Licensing Office (HLO) housed in the Oregon Health Authority to the Long Term Care Administrators Board. The bill changes the makeup of the board’s membership to include residential care administrators.

The bill authorizes HLO to add a new license category, residential care facility administrator, to the existing Nursing Home Administrators Board/ Long Term Care Administrator Board. The bill specifies qualifications for the license. The bill directs HLO to adopt rules to: (1) establish continuing education requirements; (2) approve training and continuing education requirements; and (3) for applicants to submit proof that the applicant has completed a tuberculosis screening with a satisfactory result. The bill requires the Long Term Care Administrators Board to adopt rules to determine the subjects, scope, and content of examinations for licensure. The Long Term Care Administrators Board must ensure that examinations are available to applicants multiple times throughout the year, and that at least one examination approved by the board is available to be taken online.

¹The Health Licensing Office estimates the fiscal impact of this bill to be \$96,427 Other Funds for the 2017-19 biennium. This amount reflects staffing and related services and supplies for the new licensure program. HLO estimates between 500-700 new licensees. To carry the work of restructuring the current board and recruiting new members; rulemaking; creating and administering exams; addressing increased on-going complaints and investigations; developing new forms, databases and web content; and increased customer service activity, HLO

- Administrative Specialist 1 - January 1, 2019 start date.
- Administrative Specialist 2 - January 1, 2019 start date.
- Compliance Specialist 2 - July 1, 2019 start date.

²The bill allows the HLO to charge fees to recover costs. Assuming an estimated 700 individuals will seek licensure, HLO anticipates establishing the following fees for licensed residential care facility administrators:

- (1) Application – New License = \$100;
- (2) License Renewal = \$130 (valid for one year).
