

Dear Senator Prozanski and members of the Senate Judiciary Committee,

HB 4145 will protect Oregon families and save lives by prohibiting people convicted of stalking and partner abuse from purchasing or possessing guns. Please vote YES on HB 4145.

And on the broader note of gun violence, I am another voice to let lawmakers know you will be voted out of office if you have a voting history of doing nothing to ban bump stocks...AR-15's...high capacity magazines...gun access to the mentally ill with history of violence...and tighten background checks to keep violent people and people with criminal history from purchasing guns.
