

..... You people in the legislature **swore a solemn oath** to defend the Constitutions of the United States and Oregon. We, the People of Oregon, are gut-sick of your endless, Machiavellian, treacherous **ATTACKS** upon our rights. Did you catch that word-----**RIGHTS**. They are not yours to take, they are not yours to infringe upon. You swore an oath to protect/defend these **RIGHTS**.

.....stop **ATTACKING** our Constitution. Stop **ATTACKING** our **RIGHTS**. Stop attacking law-abiding people. You are all guarded by State Police carrying firearms, you pack of shameless hypocrites.

STOP ATTACKING US.

This is not a 'request.'
