

Dear Senator Prozanski and members of the Senate Judiciary Committee,

HB 4145 will protect Oregon families and save lives by prohibiting people convicted of stalking and partner abuse from purchasing or possessing guns. Please vote YES on HB 4145.

Please consider this as a common-sense bill. Please think of this legislation as it might impact the people in your lives - your children, your siblings, your friends. There is so much, in my opinion, that needs to be done to bring us up to the level of countries that have far, far, far fewer deaths by guns than our country. This is a place to start.

Thank you,  
Melissa Madenski
