

Dear Senator Prozanski and members of the Senate Judiciary Committee,

Please vote YES on HB 4145. This bill protects Oregon families and saves lives by **prohibiting people convicted of stalking and partner abuse from purchasing or possessing guns**. We need laws that keep guns out of the hands of violent offenders. Most homicide victims are women and children and the risk of death increases five-fold when an abuser has access to a firearm. **Violent offenders should not have access to guns.**

Thank you,
Kyna Moser
