

Legislators,

Please represent me and vote NO on 4145!

4145 is poorly written.

1. It too broadly defines or fails to define a family member.
2. It has no protection if a person is falsely accused.
3. It has no penalty for a person who makes a false accusation.

The example of Shane Morgan is what this will to easily cause.

Please vote no on 4145.
