

Hello

I urge you to vote yes on HB 4145, "Closing the Boyfriend Loophole".

As you may know, more than 80% of female victims of intimate partner homicide were killed by their current spouses or boyfriends. Firearms is a common method used in murder of intimate partners. The risk of death is high when an abuser has access to a firearm.

Furthermore, we need to do more to keep guns out of the hands of violent individuals and stop the rise in mass shootings that is happening in our country. This is a good place to start.

Please support HB 4145!

Sincerely,
