Date: February 22, 2018
Subject: BILL 4065-A – Relating to Child Care
Work Session Recommendations

HB 4065-A provides additional enforcement capacity to the Office of Child Care which is part of the Oregon Department of Education’s Early Learning Division. The bill also increases civil penalties for violations by child care facilities. An existing requirement is deleted from statute which obligated that a written warning must be issued for a violation before assessing a civil penalty. A child care facility’s certification or registration/renewal application may be revoked or denied if the facility fails to pay a civil penalty after the order imposing the penalty becomes final.
