Dear Senator,

I am writing to ask you to vote NO on the amendment to HB 4031 to change the rural reserve designation of the "Red Barn" property to rural industrial.

Mr. Lamphere purchased this land knowing it was zoned EFU and in the rural reserve. The land in question is eighteen acres of high value farmland in the midst of the fertile French Prairie farming region. The Clackamas County Commission denied an application to rezone this land. The rezoning is also opposed by the City of Wilsonville, the Department of Agriculture, the Department of Transportation and the Department of Land Conservation & Development.

Unhappy with the County's decision to preserve farmland and respect the EFU designation, the legislature is being used to bypass local government and Oregon land use laws. Please don't be a part of this effort. Vote NO on this amendment.

Thank you,
Erika Kane
