Subject: "Red Barn" Amendment proposed to HB 4031
Date: Friday, February 23, 2018 1:24:46 PM

Dear Senators:

I urge you to vote NO and reject the proposed "RED BARN" Amendment to HB 4031.

This amendment clearly is an attempt to use the land for a specific unauthorized private commercial purpose and circumvent the "Red Barn's" current existing designation.

I urge you not to allow spot-zoning of the "Red Barn" area. This site is designated EFU and Rural Reserve, and rightfully so. This Amendment is clearly an attempt to get a foothold towards commercialization south of the Willamette river.

Clackamas County, the City of Wilsonville, Dept. of Agriculture, Dept. of Transportation and Dept. of Land Conservation & Development (DLCD) **all denied or opposed rezoning** of this farm land to Rural Industrial.
