Subject: HB 4133 – Relating to Maternal Mortality and Morbidity Review
Committee
Work Session Recommendations

HB 4133 creates the 11-15 member Maternal Mortality and Morbidity Review Committee in the Oregon Health Authority (OHA). The committee is charged with making policy and budget recommendations to reduce incidence of maternal mortality and severe maternal morbidity in Oregon. The committee must submit a progress report to the legislature by January 1, 2019, and the first biennial report on the state's maternal mortality and morbidity data to an interim committee of the legislature by January 1, 2021. This report must include aggregated data related to cases of maternal mortality in Oregon, as well as policy and budget recommendations.

The measure previously had hearings in the House Committee on Health Care on 2/9/2018 and 2/14/2018.

Fiscal impact

OHA estimates the fiscal impact of this bill to be \$46,202 General Fund, 1 position, 0.17 FTE for 4 months of the 2017-19 biennium; and \$406,133 General Fund, 1 position, 1.50 FTE for the 2019-21 biennium.

Recommended Changes

LFO recommends adoption of the following amendments:

- -A5 amendment which adds General Fund appropriation for OHA to support the committee.
- -A6 amendment modifies provisions related to committee meetings and records. The amendment does not change the original fiscal impact.

MOTION: I move adoption of the - A5 and -A6 amendments to HB 4133. (VOTE)

Final Subcommittee Action

LFO recommends that HB 4133, as amended by the -A5 and -A6 amendments, to be moved to the Ways and Means Full Committee.

MOTION: I move HB 4133, as amended, to the Full Committee with a do pass recommendation. (VOTE)
